AKASH SHARMA

SUMMARY

I recently graduated with a Business and Management professional degree from the University of Stirling, UK, complemented by a Bachelor's in Electronics and Communication. Offering over 7+ years of diverse experience in content marketing, business operations, and customer support across multinational companies. Proven track record in developing high-quality content, managing client relationships, and driving process improvements. Seeking a challenging role that leverages my strong communication skills, analytical abilities, and cross-functional expertise to contribute toorganizational growth and innovation.

EXPERIENCE

Director of Copywriting, 10/2024 - Present
PodUp Inc. – Jaipur

- Spearheaded copywriting across multiple channels: blogs, newsletters, websites, social media, lead magnets, press releases, funnels, and creator-focused content.
- Directed funnel copy for both PodUp (software modules, monetization & AI tools) and PodAllies (podcast production and marketing services).
- Managed cross-functional teams of copywriters, designers, video editors, and marketers to deliver cohesive campaigns.
- Coordinated directly with U.S. clients to align messaging with brand and business goals.
- Led SEO strategy, including meta titles, meta descriptions, and geo-targeted optimization.

Senior Content Marketing Strategist, 01/2023 - 08/2023
SecureW2 - Delhi - WFH

- Developed top-notch content that explained intricate cybersecurity concepts to various audiences. This involved writing blog posts, white papers, case studies, and marketing materials.
- Conducted extensive research to ensure accuracy and kept abreast of the latest trends and technologies in cybersecurity.
- Collaborated with cross-functional teams to align content with company messaging and objectives, while also optimizing it for SEO purposes.
- Responsible for managing and updating the company's website usingWordPress, including the software updates, new tech release, etc.

Senior Content Writer, 09/2020 - 09/2021
Genpact - Delhi - WFH

- Reviewed and summarized multiple knowledge papers and presentations for BCG's eLearning website, focusing on emerging markets, global advantage, and practice areas.
- Collaborated with consultants to gather and analyze case team learning, creating knowledge products like vignettes and knowledgepapers.
- Generated tailored knowledge for client projects, producing accurate and comprehensive documents and charts. Additionally, wrote abstracts and indexed projects and practice area documents.
