PROFESSIONAL SUMMARY

Director of Copywriting with **7+ years** across B2B SaaS, cybersecurity, podcasting, and e-learning, specializing in full-funnel copy — VSL scripts, landing pages, email sequences, and sales pages built to convert at each stage of the buyer journey. Experienced with AI-assisted research and writing tools including Claude, ChatGPT, Perplexity, and Gemini to structure complex topics and accelerate high-quality content production. Built and scaled a **60-niche funnel copy system** at PodUp, driving measurable results (435 subscriptions at under 10% cancellation on a single Black Friday launch), and managed cross-functional teams delivering campaigns for U.S. clients. MSc in Business and Management, University of Stirling (UK). **Currently focused on fully remote roles.**

EXPERIENCE

Senior Copywriter, Acquisition

JUN 2026 – AUG 2026

PAYONEER · GURUGRAM (HYBRID)

- Led quality control across 80+ website pages during a full site revamp, reviewing copy for accuracy, brand consistency, and legal compliance across high-visibility surfaces.
- Rewrote and edited acquisition-focused landing pages for paid search campaigns, incorporating competitive positioning, high-intent keyword alignment, and benefit-led narratives for SMB and enterprise audiences.
- Partnered with CRO, analytics, legal, design, and SEO teams to ship conversion-focused copy across homepage, product, and campaign pages, working in WordPress and Figma with task tracking in Asana.

Director of Copywriting

OCT 2024 – MAR 2026

PODUP INC. · JAIPUR

- Led all copy across blogs, newsletters, websites, social, lead magnets, press releases, funnels, and creator content for PodUp and PodAllies.
- Built and scaled a 60-niche funnel copy system for PodAllies' done-for-you podcast production service, each niche with tailored hooks, messaging, and CTAs.
- Wrote the VSL script and landing page for the Black Friday Founding Creator launch, structured around a three-problem, one-solution narrative, driving 435 subscriptions at under 10% cancellation.
- Managed cross-functional teams of copywriters, designers, video editors, and marketers to deliver cohesive campaigns on deadline, coordinating directly with U.S. clients on brand voice and revenue goals.
- Led SEO strategy including meta titles, descriptions, and geo-targeted optimization, and used AI tools (Claude, ChatGPT, Perplexity, Gemini) to accelerate research and high-volume content production.
- Wrote UX copy — tooltips, onboarding sequences, FAQs — for PodUp's AI-powered platform, and podcast episode scripts across multiple genres.

Senior Content Marketing Strategist

JAN 2023 – AUG 2023

SECUREW2 · DELHI (REMOTE)

- Wrote blog posts, white papers, and case studies on 802.1X authentication and enterprise network security for IT administrators and security buyers.
- Produced demand-generation content designed to warm the sales pipeline with pre-educated, high-intent prospects.
- Optimized content for SEO and managed the company WordPress site across product and technology releases.

Senior Content Writer

SEP 2020 – SEP 2021

GENPACT (BCG) · DELHI (REMOTE)

- Reviewed and summarized knowledge papers and presentations for BCG's eLearning platform, covering emerging markets, global advantage, and consulting practice areas.
- Produced knowledge products — vignettes, case summaries, practice area documents — and generated tailored client-facing documents with accuracy and full confidentiality.

Supervisor, Business Operations

MAY 2017 – MAY 2020

INTERLYNX DIGITAL SOLUTIONS · DELHI (ON-SITE)

- Trained and mentored a 25-person team through performance reviews, feedback sessions, and professional coaching.
- Implemented client-specific sales funnels and lead capture systems for enterprise accounts including Ingersoll Rand, Continental, Siemens, and Mitsubishi, using HubSpot, Salesforce, and Marketo to manage lead flows and campaign operations.
- Awarded Most Valuable Player (2019) for singlehandedly setting up full operations at a newly opened captive site.

KEY WINS

- **60-Niche Funnel System** — Full copy system for PodAllies covering 60 distinct niches, each with bespoke hooks, messaging frameworks, and CTAs.
- **Black Friday Campaign** — Wrote the VSL script and landing page for PodUp's Black Friday Founding Creator launch, driving 435 subscriptions at under 10% cancellation.
- **Enterprise Account Management** — Designed and managed lead capture systems for Ingersoll Rand, Continental, Siemens, and Mitsubishi, improving pipeline quality and client retention.
- **MVP Award (2019)** — Singlehandedly set up full operations at a newly opened captive site, Interlynx Digital Solutions.
- **AI Strategy Consulting** — Acting consultant for AssessME (Master's project); developed a GTM strategy for expanding its AI-powered assessment tool into higher education.
